Prairie Center, a nonprofit alcohol and substance abuse treatment and prevention center, seeks a full time Prevention Specialist working in our Danville facility.

**Responsibilities:**
The successful candidate will design and develop presentations on subjects related to drug and alcohol prevention for a variety of community audiences including local schools, and provides services in a youth-focused manner. The main focus audience is 5th grade through high school. The curriculums used in presenting to youth in schools are “Too Good for Drugs,” and “Too Good for Violence,” which can be reviewed at [www.toogoodprograms.org](http://www.toogoodprograms.org).

**Requirements:**
A Bachelor’s degree in education, social work, psychology, community health, or related field is required. A valid driver’s license is also required. Job offer is contingent on a successful drug screen and background checks.

**Benefits:**
Prairie Center offers a generous and complete benefits package including vacation, medical, dental, life insurance, as well as a 401k retirement plan and EAP program.

**To Apply:**
Please send your resume, a cover letter, and a completed employment application to: Jeffery Lehmann, HR Director, Prairie Center, 718 Killarney, Urbana, IL 61801 or jlehmann@prairie-center.org. **Deadline to apply:** July 21, 2017

**About Us:**
Prairie Center is a 49-year-old nonprofit alcohol and substance abuse treatment and prevention center providing residential, outpatient, and prevention programs across three east central Illinois counties. Our programs and services focus on preventing drug and alcohol abuse as well as helping those impacted by this to transform their lives and build better futures. Our life-changing work is transforming children, families, workplaces, and communities throughout the region. Join our team today!
